We will assign you a squad number when we receive your registration, and mail you a PIN that you may use with the USPSA on-line squadding system (www.uspsa.org/squadding) to change your squad assignment if you wish. We will do our best to honor all squadding requests, however, we won't "hold slots" for registrations we have not received, and we will not move already squadded competitors around to accommodate requests (competitors can move themselves on-line). No refunds after July 14. \$10 processing fee on refunds before this date.
