Well, we beat the rain for a change. Considering the wet conditions on the range, I think we're all winners this month. Congratulations to all of our division and class winners. Nice shooting by everyone who came out.

Activating Targets:

This month we brought out a couple of new activating targets. I hope they don't scare anybody off because we'll probably see them again. If anyone is interested in information regarding the swinger or drop turner, let me know. I work with the gentleman who manufactured them and I'm sure he's willing to build more. I thought they worked great; they're light weight and the prices were very reasonable.

Indoor Season & Year-end Meeting:

As much as I hate to say it, the outdoor season is quickly coming to an end. Two more outdoor matches, and then it's back inside. With the season winding down, it's time again for our year-end meeting. I'll keep you informed on a date, it'll probably be mid October when we all get together. I don't think it's too soon to think about the issues for next season. If you want to get involved, feel free to speak your mind.

WNYPPL Equipment for WNYPPL/TSC members at TSC:

There's been some concern by our local club members regarding access to the club equipment for shooting at TSC. I'd like to spell it out and put this issue to rest. WNYPPL practices on Thursday nights between 4 and 7. The only time IPSC type shooting is

allowed on the outdoor range is during organized practice sessions. When TSC/WNYPPL members come out and shoot on their own, they must abide by the range rules set by TSC. Therefore, the only members with access to our range equipment are the match staff. If anyone needs more clarity on this subject, please feel free to contact me.

Squad Times:

We've experimented with squad times this season and it looks like two squad times is the way to go. Our membership is right on the edge of running three time slots but I don't think it's quite there yet. So, for the last two matches of the outdoor season, the times will be 9:30 and 11:30. If you signed up for 1:30 next month, contact me and I'll fit you in earlier.

Want to help?

Along with our club regulars who put the matches together and RO, thanks to Dennis Williams and Don Reid for RO'ing the 9:30 squad last month. They happened to show up early and the help is really appreciated. If YOU would like to come out early and do the same thing, it takes a lot pressure off guys like myself and Jeff who are there from 7:00, set up, run a squad and then attempt to shoot. Thanks guys!

Good luck to all of our members going out to shoot the USPSA National Match.

Jim.
